Homeowners open their doors and welcome guests, giving them a rare glimpse into a variety of design and architectural styles. Attendees are granted exclusive access to explore decorating trends and discover new design solutions that inspire Delray Beach’s unique living. Admission is \$100 per person and includes a leisurely tour through distinctive residences, complimentary parking, trolley service between homes and a catered luncheon at the Delray Beach Club. Proceeds benefit the Achievement Centers for Children & Families, a nonprofit social services agency offering life changing services to those in the community facing the effects of poverty. The event also features an extensive raffle offering the chance to win spa services, dining certificates and décor items as well a silent auction for exotic Caribbean Vacations, art work and luxury items.

“The Home Tour has not only become a signature Achievement Centers event but one the community looks forward to,” declares Kari Shipley, Chairperson for the event who is also a Board Member and longtime supporter of the Achievement Centers. “Year after year we are blessed to partner with gracious homeowners, a loyal committee and generous supporters to break our fundraising record and ultimately make a larger impact in the lives of those that the Center serves.”

Now in its 14th year, the Home Tour is made possible by dozens of community partners and supporters, a dedicated committee and enthusiastic volunteers. “As our longest running event, I am proud to say that the Home Tour would not be executed in such a seamless manner without the devoted supporters of the Achievement Centers who help us each and every year.” states Stephanie Seibel, Achievement Centers for Children & Families CEO. Since its inception, this signature fundraiser has collected over \$900,000 to benefit the lives of thousands of low-income children and families over the years.
