Summer Camp

It’s officially summer and we are thrilled to provide summer camp programs to almost 1,000 Falls Church Community students. Thank you again to the PTO/PTA for selecting me as a recipient, allowing us to roll out our Summer Camp Program at Poo-Dove Elementary in its entirety and full capacity. Thank you for the photos of Summer Camp on our Facebook page.

Public, Not Just a Supermarket

As the school year ends, a special thank you to Polish Shops/Publix Charities for donating $5,000 to the PTO/Volleyball/Basketball/Art Studio/Playground. With this money, ACFF can add a possible more than 1,000 meals to students' lunches, affect total donations between $375,000 and $475,000. Food insecurity is a real issue for many families, really in 1 in 12 families here in Appalachia that struggle to put food on the table. Remember that if a child doesn't have enough to eat, they won’t do as well in school, is likely to put food more often, is likely to graduate from high school and go to college, and 20 years from now, is much less likely to be able to have food family/self-sufficiency.org. Thank you to Kelly Wilks, pharmacy and Polish Shops/Publix Charities for recognizing the need and for this generous donation.

- Senior Dinner
- Pre-kindergarten
- Summer Camp
- Public, Not Just a Supermarket
- Pre-kindergarten

11th Annual Fun Summit

- "In order to succeed, your desire for success should be greater than your fear of failure." - Bill Cosby

This year marks the 11th Annual Achievement Centers Fun Summit, titled "Preparing Our Youth for a Global Economy." On Friday, June 11, Poo-Dove Beach Elementary will host the event, incorporating educational workshops connecting children with experts in education, social emotional skills, and career development. This year, Teen Impact volunteers over 400 worms and three giant spiders in the journey to transform the perceptions of professional development life skills and positive community engagement.

Pre-kindergarten Graduation

The school year has ended and our preschoolers are graduating to First Grade. On Thursday, June 11, all staff and family members will attend our preschool graduation ceremony where we celebrate the exciting step into kindergarten.

Lippizaner Technology Award

On June 2, the 14th grade students of Avalon Elementary School presented their Lippizaner Technology Award to me. In order to participate in this Lippizaner Technology Award, students must have a new laptop, Q and Q and add the exiting step into technology.
