Gratitude is good for your health

At ACCF we are incredibly thankful to be able to create positive opportunities in the lives of over 700 children and 500 families. Support from donors and businesses in our community plant the seeds for success!

Thank You For Giving

What’s the Dream Maker Circle?

Dream Makers are individuals who believe in the power of hope for children and families. They make a commitment to support ACCF with an annual gift of $1,000 or more.

The Annual Fund is the bloodstream of our organization, providing essential year-round support for our programs and services, and helps keep our lights on. Please consider making a one-time annual or monthly recurring tax-deductible gift to help children and families living in our community break the cycle of poverty through affordable education and family strengthening.

Black Friday, Cyber Monday.

#GivingTuesday demonstrates how every act of generosity counts, and that they mean even more when we give together.

Holiday Giving Program!

For most, the holidays are a time of family and fun. But for ACCF families, the holidays can be stressful due to financial hardship. During the November and December months, ACCF and community partners and donors come together to support families in providing their children with a memorable holiday experience. Families can be helped with gift needs, tuition, and gift and food donations.
