

Inspiring Wellness | Encouraging a Passion for Learning | Igniting Potential

Indulgence Recap

On Wednesday, October 8th ladies united for an evening of glamour and giving at the 3rd Annual Indulgence. Guests indulged in great food, drinks, complimentary pampering services and exclusive vendors. Thank you to your sponsors, attendees, volunteers, service providers and vendors. To see photos from the event [click here](#).

Healthy Bellies Workshop

With a generous gift from Jarden Consumer Solutions, we were able to give every parent attending our Healthy Bellies Cooking Workshops a CrockPot. Along with the education parents receive during the workshops, this gift enables them to save time and money as they cook healthier more nutritious meals for their families.

Power Time

Power Time is an empowerment program teaching children skills that will enable them to be their best selves every day. Stephanie Dodge has hosted weekly yoga classes for our Preschoolers! Stay tuned for more Power Time updates.
